Shared Decision Making

Families will be invited to many meetings throughout the year to receive academic information and provide input on ways the school, families and students can share responsibility for student success. We hope you will join us for SAC meetings, parent conferences, and Title 1 meetings and trainings.

Communication

Based on your input, we will communicate in many ways, including our school website and twitter page; through emails and phone calls from teachers, school administration; by flyers sent home with your student; and through notes in your student’s agenda book. If you find that communication doesn’t seem to be getting home, please let us know. Our goal is to keep communication between the home and school open and ongoing.

Volunteers

Families are encouraged to volunteer at our school to help students and teachers be successful. To find out more about volunteer opportunities, please call our school’s volunteer coordinator. We’d love to have your help.
